IPC APEX EXPO® — THE PREMIER EVENT FOR PROGRESSIVE EDUCATION
AND TECHNOLOGY TO CAPITALIZE ON TOMORROW'S OPPORTUNITIES

www.ipcapexexpo.org

How do you capitalize on tomorrow's opportunities? By being a forward thinker.

IPC APEX EXPO 2017 delivers a critical combination of progressive education and tomorrow's technology. Join us and be part of the year's best opportunity to learn and experience applied technology with real-world applications for tomorrow's needs.

This is Forward Thinking for Tomorrow's Technology.

- > The latest technical research
- > Industry best practices
- > Access to the solutions and subject matter experts you need to solve challenges in a fraction of the time it takes on the job
- > The largest electronics industry collection of top suppliers, live demos, and extreme innovation
- > Connections in educational sessions, on the show floor and during networking events
